

STAR HOSPITAL

(ISO 9001:2008 Certified, 150 Bedded Multispeciality Hospital)

Overview

About us

Inspired by the noble vision to deliver highest quality personalised healthcare at affordable rates, STAR HOSPITAL is serving since 2015 as a healthcare provider established by Mr. Surender Khatana. STAR HOSPITAL has evolved as one of the fastest growing Multi Speciality affordable hospitals in NCR at BHIWADI (RAJASTHAN). We are committed to deliver comprehensive and advanced Multi Specialities healthcare through our network of 50 beds & 56000 Sq. feet Operational Area.

Star Membership

"STAR HOSPITAL" has introduced membership policy in order to achieve the VISION of management to provide Health Care Services at minimal cost. With this policy one can become a member of **Star Hospital Privilege Services** and avail complimentary benefits as well as discount on OPD, IPD & other services. This will be helpful in cases where payment is not linked to any Insurance Policy, TPA, ESIC, ECHS etc. Also, it will be beneficial to close relationship between our consultants and members.

Core Values

Advancement

We're committed to setting ambitious goals and move healthcare and our communities forward

Inclusiveness

Everyone working together collaboratively

Respect

In our regard for, and actions toward, our communities, patients and each other

Responsibility

Acting in honest, forthright and fiscally responsible ways

Mission

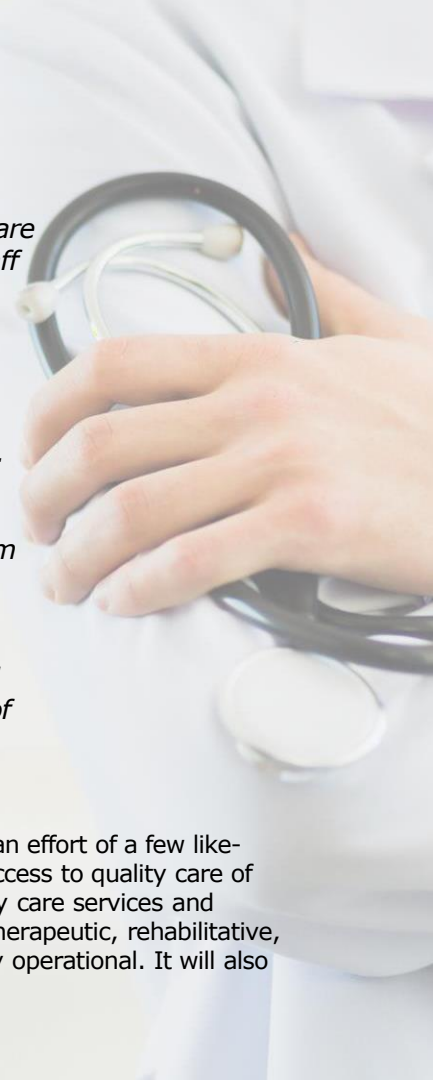

To Provide most reliable and highest standard medical services so as to heal the whole body and soul with premium medical skills combined with compassionate patient care. Star Hospital is driven by the vision of becoming a leader in the society and also in the region as integrated health care service provider at best price with the larger purpose of saving and enriching the lives of people through medical excellence

Vision

- *Provide best possible health care with the help of dedicated staff that meet international standards.*
- *Usage of latest medical technology and equipment*
- *Offer economic medical treatment with best outcomes.*
- *Provide hygienic environment*
- *Deliver greatest compassion, highest concern care with team of passionate Doctors.*
- *Continuously increase the customer satisfaction graph.*
- *Extend health awareness and consciousness in all sections of the society.*

Message from our team

Star Hospital (A unit of OM Medicentre Pvt. Ltd.) is a state of the art multi-specialty Hospital in Bhiwadi. It is an effort of a few like-minded professionals from all walks of life who have come together and joined hands in an effort to enable access to quality care of diseases. Star Hospital is a purposed 150-bedded Hospital, currently operational by 50 beds with multispecialty care services and experienced, talented medical and paramedical professionals. The Hospital provides preventive, diagnostic, therapeutic, rehabilitative, palliative care and support services under one roof. Star Hospital will offer state-of-the-art facilities when fully operational. It will also obviate the need to travel to Gurgaon or Delhi for high-end specialized treatments.
